### The Premises:

Easy to find, ground floor flat in central MK near to Next

### The Lady:

A pretty looking curvaceous girl in her mid 20s. Not too dissimilar to photos on site. Tiana has a nice nature, is easy to talk to, and, most importantly, is keen to please.

### The Story:

This is the second time I have visited Tiana in Milton Keynes. This time round it was a bit of a mixed experience. The service I received from Tiana was fine in of itself but the scheduling and management of the visit left a lot to be desired.

Positives - Service from Tiana

Open mouthed kissing to begin with then on to some expertly delivered OWO. With time an apparent issue, we quickly slipped on the cover and moved on to sex in cowgirl before going for doggy to finish off. Chatted for few minutes afterwards.

Negatives - Scheduling

Having made an appointment earlier in the day I was a bit annoyed to turn up at my allotted time and be informed by the maid that I should come back in 5 minutes because there weren't any rooms available (why take more bookings than you have room's available for at a given time period?). Upon my return, I was shown to the bedroom by the maid and then waited for few minutes for Tiana to arrive. As stated above, the service I got from Tiana was not an issue but I did get the impression that she was squeezed for time. For instance, after the session I was left to take a shower and show myself out of the building (as Tiana needed to get away for another booking at 6.30 ? questionable scheduling given that she wasn't able to start my half hour booking until 10 past 6).

I think the general experience could have been improved by scheduling the girl's diary better so there is not a risk of back-to-back bookings causing appointments to start late and get cut short. Also, the management should have a better insight into room availability ? perhaps this is just a Friday evening problem?
