Never been to indian palace and was a bit tricky to find, though eventually got through despite the message circuit on the mobile phone. 3rd floor flat, bedroom workable and a bit too hot. Did not consider bathroom. they said come as 2 ladies available to choose from. When i got there, never got that option.

The Lady:

20 year old 34dd young Indian woman who is 5ft 4in and size 12.

The Story:

She was nice and engaging though there is a no strict no kissing policy here. still she was quite enthusiastic and covered BJ was good and she help me come with cowgirl position.

Service Provider's Rebuttal

The establishment writes:

We would like to correct a few bits of information in this report:

Our number is a landline that people can ring on

-In this report it says it's a mobile.

Our flat is on the 1st floor

-In this report it says our flat is on the 3rd floor.

If the receptionist mentioned that there would be 2 ladies to choose from at the time a person called, by the time he gets there that might have changed and then there might have only been one lady available. It's not our intention to mislead people by saying there is more than one lady available if that is not the case at the time they call.

And if the room is a bit hot, please ask the ladies to turn the fan on or open the window. Different people like different room temperatures and someone before you might have thought the room was too cold!
