The Premises:

Had to look around for a spa in central London as the usual chinese medicine shops are probably not so flexible? Anyway this place was opening and it seems to be a standard massage centre in Chinatown. Single rooms with a couch.

started off with a 45 min commission for a firm thia all body massage.

The Lady:

Lovely figure, 5ft 6in, wonderful bottom and 32d breasts were lovely. kept her thong on though. Chatty and friendly Chinese woman.

The Story:

Started on back and focused on inner thighs on bottom, asked if i would like a 'happy ending' - who would not? So off with tunic and klond dress and bra and i must admit front massage was a bit dissapopinting. Still allowed me to play, not keen on kissing, let me suck her breasts and no fingers inside thong. Oh well, oily handjob did the trick. After all most working girls are asleep at 10am.
