### The Premises:

About 5 minutes walk from Slough Central parking in The Observatory(yellow lines and residents' parking only locally). First floor maisonette with front door discretely hidden from road at ground level. Inside clean and warm. Bedroom small but functional.

### The Lady:

She is delightful. 43 years old, half Latvian, half Russian, with good English. About 5'8" in shoes, buxom without being fat, short dark hair and huge, kissable, gorgeous breasts. Attractive face and a wonderful, friendly, cheerful personality.

### The Story:

Mazule is a nickname and means "naughty girl" in Latvian. I have seen her three times now (all this month) and can't get enough of her. She is sooo friendly and willing I definitely rate her as in my top 3 best GFEs, and I have been seeing ladies for as long as I care to remember! OWO (genuine deep throat), RO, 69, squirting, missionary, doggie, scissors, cowgirl, the best kisser I think I've ever met (nearly lost my tongue altogether!) how much more can you fit into three meetings? And thos breasts, wow they must weigh about 3 pounds each!

10/10 and very highly recommended, and I don't give scores like that easily.
