The Premises:

Careess is a mid terrace parlour with rear entrance. Parking to the rear and despite the area looking run down appears to be safe.

The parlour is small, a typical mid terrace house. Rooms basic, clean and warm.

The Lady:

I decided to visit Jenny after reading about her on Punternet. I have not posted a FR for many years for various reasons. When I met Jenny I thought I knew her from some where. I did she used to have her own parlour many years ago under the name Jeniffer, at the rear of a furnitue repair shop for those using ladies services for many years.

Jenny will be in her forties now, but she has not the fantastic soft hands I remember from many years ago.

She is probably 5' 7" ish long dark hair. When she introduced herself t the door she was wearing a black dress hugging her curvy body.

The Story:

I have read and would agree that this parlour offers marure ladies, so if you are looking for young girls go elsewhere. In saying that the years have been kind to Jenny and she still knows how to send you away with a smile on your face.

Slow very soft hands wander across your back and down between your legs to tantelsie your ball sacks from the rear. Turn over and Jeeny strips off to her pants ahe continues to softly turn up the heat. Her ample boobs are there to kiss and suck, before she removes her pants to reveal a partly shaven pussy the joins you on the bed. After stroking her pussy which responds nicely getting very wet.

Her clit grew and it was not long before she orgasmed.

She moved on to oral covered and ball sucking.

Finally she got on top girating her hips and pussy on my cock. Then she said give that to me and got on her back. Plenty of oral encouragement before I filled the plastic sac.

All in all a great way to spend part of a cold wet rainy January afternoon.

Recommend yes certainly, no rush just good value sex!
