### The Premises:

Her place was very nice. You feel totally safe and secure and no doubt it is clean and tidy. I was offered a drink to break the ice and a shower at the end.

### The Lady:

Don't really know where to start. The door opened to a stunning lady who was dressed as requested. Her boobs are the best I have ever seen. She has fantastic legs and a wonderful bum as well. Put simply this woman was just jaw dropping

### The Story:

I had 90 minutes with her and it was the best 90 minutes I have had in a long time. We started with some nice kissing, moved onto her boobs and then I worked my way down to her pussy. She moaned and groaned with pleasure as I made her cum.

She then returned the favour giving me the best bj I have ever had. The look she gives you as she does it is amazing. The only problem was I got a little too excited and lost control as she was teasing me with her hand rather than in her mouth....but that was my fault and I will ensure next time I cum in her mouth for sure.

After some nice chat at which she was very good at she started sucking me again, then putting the protection on she climbed on top and started ride me like I have never been before. Finally she offered herself from behind and reached back to play with my balls which made me cum again!

All in all this was a fantastic day, she was totally stunning and I will be coming back for more. Now the nerves have gone I will be seeking to do a few things I have never done before with this sexy lady!
