The Premises:

Very small and typical location in South Ken. Suitable for purpose.

The Lady:

I wanted a duo, but was wary based on pics on the site. These girls do look much better in person. In fact Sheila is one of the prettiest blonde women with the largest natural breasts I have seen! Sylvia had fake boobs, but was a good match with Sheila.

The Story:

Very different than many EE providers as the girls were happy, smiling and very engaging. I jumped into the shower and when I got out they were topless on the bed snogging. They grabbed me and drove most of the action. There was proper lesbian action, not the fake stuff some duos provide. I was jet lagged and not on my game, but the girls were pretty hardcore and a great PSE, but with a very fun attitude. I had a great time and afterwards had a great chat with the girls. I would recommend.
