The Premises:

Kayjemmas is clean and tidy; the rooms are perfectly pleasant and the flat is quiet and seems to be well managed. Felt safe.

The Lady:

Georgie is an attractive lady, probably in her early/mid 30's (certainly not the 25 it says on their website). She has a pretty face and a gorgeous body with lovely breasts and a nice trim figure.

The Story:

We started off with a back massage and Georgie put me at my ease as I was fairly nervous, this only being the second time I have visited a working girl. She is a very chatty and pleasant lady and seemed to take pleasure and pride in her job. Things moved on very satisfactorily and I left a happy client. She did not at any time seem to be rushing things or in a hurry and afterwards she was happy to stay and chat for a while before we said goodbye. She is a lovely lady and gave good service - I would definitely recommend her!
