Details of Service Provider:

Company: Massageplay

Website: <http://www.massageplay.com>

Phone: 07519874853

The Premises:

1st floor apartment in the old flats at 5 ways.

You have to phone to get them to come down and open the main door.

The place was cold, the room had bare floorboards and the bed was a cheap Ikea job

The Lady:

India was a good looking girl, although I don't think its her in the website photo.

If it is, she's gained a few pounds...

The Story:

Watch out for this one - it's a real rip off. What they offer on the website is a professional massage experience, including everything imaginable; sensual shower, head, back, foot - the full monty.

You don't get any of that - I wasn't shown a shower, and I doubt if they have hot running water

India does a great job with the chat - questions, questions, questions - feigning interest in everything you say, with one eye on the clock - when your time's up - you are out.

What you get is basic sex - no DFK, no extras, and only once, so don't be tempted by the "cum as many times as you can manage" bollocks.

And don't fall for the "what our customers say" bullshit - I posted a feedback stating some of the above, strangely it was never published...

Service Provider's Rebuttal

The establishment writes:

India is no longer working at Massage Play due to her poor service.

Also the establishment has had a refurbishment with new furniture & decor throughout.
