The Premises:

A smart flat in a modern block not far from the station, plenty of 30p/hr parking, no-one bothers you here. Another girl answered the door and parked me in a room awaiting Izabel to prepare herself. Bathroom available for showering, etc.

The Lady:

Izabel is a tanned, dark-haired, mediterranean-looking, Polish girl in her mid-20s, she has a striking face, with cat-like eyes, very alluring. Her body is nicely toned, she has a nice handful of boobs and a very inviting dark pussy, a really attractive girl!

She's very outgoing, playful and frisky. She reminded me in looks and manner of a tigress waiting to pounce on her unsuspecting male prey, I loved her extrovert style!

The Story:

I had seen Izabel in action at a party previously, so kinda knew what to expect...a whirlwind of snogging, groping, frigging, sucking, fucking, jerking, spitting, creaming, cumming and everything else that this little vixen has in her repertoire, in many different positions, all over the room.

Lovely friendly personality, rocking fun and very raunchy, highly recommended. Make sure you've had your three shredded wheat though!
