The Premises:

Located on a council estate in Bracknell, appeared safe during the day. Parking ok. Terraced house. Tidy and reasonably clean, needs some decorating.

The Lady:

Just like her photos, probably late 20's early 30's, size 8/10, 5'2", web site says 32F bust, more like 34 or 36F. I had requested white stockings and she was wearing long white socks, red shorts and white top with high heels, looked ok.

The Story:

This was an interesting experience. Rang earlier in the day and Saffron said she could see me particularly as she had had no other appointments for a few days, should have listened to warning bells. I booked an hour. Stripped off in bedroom and lay on the bed. Saffron gave me an ok massage, not the worst I've had but a long way from a good one. She started touching my balls which was nice I then turned over. Saffron then surprisingly applied a condom and gave me oral which was again functional and not that great. She also kept spitting on my cock which I don't like. Anyway it all had a good effect and I asked her to sit on my cock and this was the best part leading to an excellent orgasm. She cleaned me up and then strangely asked if I wanted a shower, I said I would when I finished. Saffron then said that the service was over! I said I thought an hour was for two pops; Oh no its not! Saffron then explained her odd and confusing pricing structure. After another very brief massage I got up and had a shower. After I was dressed she asked if I wanted a coffee? No thank you I said (thinking that even Starbucks doesn't charge this much for a coffee). Left feeling ripped off. I won't return, perhaps others will do better and confirm exactly what services you get. Saffron even said that 30 mins was only ?80 yet didn't offer a refund! Lesson learnt. Including undressing, sex, shower, dressing I was out in 30mins!
