The Story:

This was my fourth time seeing Lilly, she does limited in calls but on her own admittance prefers doing out calls. On this particular day I was lucky, we had arranged to meet on the Tuesday but Lilly was driving back from somewhere and agreed to do a detour to me. She arrived bang on time in a smart suit and heels, after a cup of tea followed by a glass of wine it was up the stairs for some executive relaxation. Lilly has a great body made for sex and certainly knows what to do with with it, I got everything I expected and more, she really is top drawer stuff and a really fantastic person too. Lilly is a wayward wife who is doing this as much for her own pleasure as well as for financial reasons. She is the sort of person you could take anywhere and so easy going. She doesn't see a lot of people and her availability varies but she is certainly worth making the effort for, she can be my wayward wife any day. Thanks babes for always putting a smile on my face.
