The Premises:

A well report establishment. A perfectly acceptable location and the facilities are also of an adequate quality with washing possibilities on offer. A rather eccentric Scottish maid, but she is actually rather amusing in a cute kind of way.

The Lady:

Yaya is a lovely Thai girl, who is actually quite busty for an Oriental, at least a C-D bust. Her lovely long hair is so silky to wrap your hands in and a clean, sweet-smelling body is evident. She is a touchy-feely person and has a genuine compassionate side to her. Her language abilities are stilted, but this does not detract from her very genial personality.

The Story:

Having experienced some rather dubious punts in the Soho area as of late, I am delighted to report that this encounter proved to be more than delightful. The girl was friendly, accommodating and even removed all clothing and was engaging, enthusiastic and possessed a sensual touch. Oral was delivered with a gentle, thoughtful and exquisite touch. Sex thereafter was performed in a mutually satisfying manner.

I believe Yaya is new to the profession and may be somewhat fresh to the trade, but a very pleasant, enjoyable and thoroughly reviving session was had.
