Head Office stoke, nice reception room, very clean, room had en suite shower, with fresh towels

The Lady:

Libby-dabba-do ! Rocked up on spec to Head office, and was offers initially another lady. However didnt tckle my fancy so to speak , so I decided to wait for 5 mins for the yet unseen Libby. Did consider going to diva next door, but last time I went there I got a service akin to a bored assault by a heavy smoker! Libby waltzed on all smiles and legs . Glad I waited

The Story:

Service was as good as I have every had, Libby looks perfect, slim, tanned & toned with long blonde hair. Proper stunner. Says shes a B cup, but a very full and firm B cup, and more than a handful ! Even after the service she was chatty funny and had a wealth of knowledgeable topics from Laser cutters, Victorian clothing and Japanese robot tech. Worth the cost for the company alone.
