The Premises:

Modern apartment in the city centre. Discreet and easy to find.

The Lady:

Bid busty blonde. Quite some way over the size 10 stated on the website. I know agencies sometimes exaggerate sizes, but this is the most ridiculous one I have heard to date!

The Story:

I hadn't been to this establishment in a while, but I thought I would visit them as I can normally rely on them to deliver a good service, but on this occasion I was disappointed with what I found.

After realising she was a long way short of the stated description on the website, I found her to be very rushed, not something I normally associate with the Angels. She insisted I got undressed straight away, quickly went in oral which didn't turn me on. When we moved onto sex, she even told me make sure I came before the time ran out even though there was still plenty of time left. She didn't offer any sort of kissing let alone the stated french kissing on the website.

Overall a very un-Angels like punt. I don't whether this was an exceptional case in an otherwise good agency or the start of a decline in standards. I just hope it is not the latter.
