### The Premises:

On Drury Lane so very safe. The room was basic but entirely suitable.

### The Lady:

She is a brunette who has a very pretty face. Her body is curvy, not a euphemism, and breasts are large.

### The Story:

Monica met me at the door in the sexy underwear. After the paper work she engaged in sensual sex. She used a condom for oral and sex which I understand. Her breasts when riding my dick really were a spectacle. Her English is good and I loved her rather stern manner. I loved licking her pussy and left with a real smile on my face. She has a friend in the flat, Tiffany, I asked about a duo and she smiled. I hope to return.
