### The Premises:

This flat is located between Bermondsey & London Bridge. It has a very discreet, intercom entry.

### The Lady:

Layle is a brown skinned girl who looks Indian in appearance. She is a curvy size 10-12 with superb, large firm breasts.

### The Story:

I enjoyed the punt despite Layle's lack of English. Once I saw her lovely big boobs, I soon became aroused. I spent a good few minutes squeezing them and sucking her reddish brown nipples. We had sex in the doggy position and I could have gone on for longer because I just couldn't cum. I asked to be finished by hand and this gave me another opportunity to play with those firm boobies.
