The Premises:

Loads already said about this place but I still find the pre-massage routine a bit different in that you end up in a meeting room in a bath robe.

The Lady:

Ava is an absolute cracker, although she is wearing all the gear she still looks like an absolute cracker that 25 years ago I would have wanted to take home to my Mum and marry. The pictures are very accurate but dont show what a nice classy girl Ava is.

The Story:

Ava is a lovely girl to talk to and I was horny from the minute I saw her.

I must admit that I have never had a girl quite as beautiful as Ava offer to stick her finger up my arse and give me an anal massage, as much as this may have been a beautifull experience I really didnt want to put the Nobbies through that sort of strain.

For ?82 I got to give Ava a good pussy licking plus all the normal stuff, she did insist on me fucking her head in front of a large mirror which was probably one of the most horny sights I have ever seen.

If I get the chance I will be back as much as my wallett allows, thanks Ava.
