The Premises:

Basement flat right opposite Paddington Station. Very convenient. Numbering on the street was a bit haywire, so took me a couple of minutes and a phone call to find it

The Lady:

Chelsea is a lovely-looking, and at first, demure Thai woman. She's tall with long brown hair. She has a nice slender body which I found difficult to keep my hands off. The website pix are a good representation of her

The Story:

This started off as a strange one. I read on these MBs that Taiza was back, and in the interest of re-kindling fond memories, I booked an appmnt to go see her. However, when I arrived I was greeted by a fully dressed Taiza who told me that she wasn't working that evening and instead introduced me to Chelsea as a more than adequate replacement. My first reaction was to spin round on my heels and walk, however, I liked the look of Chelsea who sat there dressed in a shimmering one-piece, and so decided to stay. For a brief moment I reflected that this was a bait & switch of a different kind and one that I didn't object to being the victim of!!

Started off with a shower together where Chelsea gave me a thorough wash down, limb by limb. No sexy play here - that was to come in the bedroom.

Once in the bedroom I sat on the edge of the bed and brought her naked form towards me. I placed her so that she sat on my lap and we engaged in small talk. She then rose up and got me to lie back on the bed. I lay back and Chelsea gave me an exquisite and soft BJ. This was brilliant and I let her go on for a couple of more minutes. Then I asked for the condom. Chelsea placed the condom on my erect pole and we negotiated me on top and I then took her in mish. As we shagged Chelsea gasped increasingly louder. I came gloriously as I sensed the jizz drain out of me.

Half-time entertainment was a 10min massage which then led to more OWO and then doggie, and I was spent again.

We then lay together, GFE style, with occasional interspersing of little kisses. Proceedings were then brought to an end with Chelsea delivering a blistering, and oily HJ. This brought me over the edge right on the hour.

In our post-coital chats I asked which website I could see her on. She told me and I've included it in this FR, altho I didn't book her thru the agency. As I left the room fully dressed I was introduced to a scantily-clad Chanel who's also on the same website. I wouldn't mind coming back again to see her as well maybe even both together!
