The Story:

I hadn't had sex in a month since I split up with my ex, and I just really needed the release yesterday. I'm so glad I discovered Daniela. She is warm and friendly, beautiful, and offers the real GFE. I arrived at 2pm on the dot. She was wearing a lovely sexy dress. I paid her straight away. We started kissing straight away - really gentle and sensual. I love kissing and it gets me really turned on. We slowly started removing clothes and lay on the bed. I went down on her, and brought her to quite an intense orgasm after a while. She was suitably grateful, and went down on me (OWO). I had to stop for a bit as I didn't want to come too quickly, so we went back to kissing. We had excellent sex in several positions and she finished me off with her mouth. I then had a shower and we lay and chatted, there was absolutely no sense of rush. We got on very well indeed, and I will definitely be returning. No exaggeration - the best sex I've ever had with a working girl. Highly, highly recommended. Treat her well, chaps, she deserves it.
