The Premises:

About 5 minutes walk from Stanmore tube station in a safe and discreet residential area. Inside is very nice and very clean, she takes care of where she works.

The Lady:

The term 'looks better than her pictures' may be used a lot, but with her it's completely true, I was not expecting her to look as good as she did, and this was without any make-up! She is very pretty czech lady and has a stunning slender body with nicely done enhanced boobs.

The Story:

Sat down with her on the sofa in her sitting room, where she offered me a drink and we could make introductions. Few minutes later she took me upstairs where I could take a shower.

Entering her room she had dropped the robe and was in red stockings with a matching bra and panties on, she looked amazing.

She started things off by embracing me, and making her way down my body to give my shaft and balls a lick, then she took me to the bed and got me to lie down while she removed her bra to reveal her great set of boobs, which I got my hands and mouth on. She continued her licking and spitting of my shaft and balls, then popped on a flavoured condom to give OW.

After a while she asked which position, I didn't mind, so she got on for proper cowgirl with lots of energy from her and kissing. I decided to stay in this position until I came, she stayed sat on me for a little bit.

Afterwards we just lay there, talking, touching and kissing. It really did feel like being with a girlfriend.

She tried to get me going with more OW, but it wasn't going to happen, and soon time was up, I had completely lost track of time.

Cindy takes obvious pride and care in her work, and really does her best to make it a proper GFE
