The Premises:

Clean house in a quiet road, just round the corner from a busy crossroads. A short walk from North Acton tube but a bit tricky to find if - like me - you're unfamiliar with the area, as the roads around the station aren't too clearly signposted.

The Lady:

Friendly blonde Hungarian girl. Curvy size 16-ish with a pretty face and a reasonable command of English.

The Story:

A pleasant enough experience for the price. Kissing, covered oral, reverse oral, sex in doggy and mish. Massage afterwards which felt like she knew what she was doing, as opposed to the token massages one often receives in such situations.

Took a shower and returned to find Sabina dressed and smoking, so presumably round 2 was not on offer (though I probably couldn't have cum again in the remaining time anyway, to be honest).

I'll recommend this lady to others, but probably won't revisit myself as it was more of a 'been there, done that' punt than a 'must have more of this' one (if that makes sense!)
