### The Premises:

London Retreat is well established and is a perfect location for an hour of sensual torment.

### The Lady:

Wonderful, dressed in a black micro dress, with black underwear. she is simply breathtaking. Brunette, great figure, real boobs.

### The Story:

This was a delightful session of painful tie and tease. Asked for and received alot of attention to my bum, it was smacked, massaged, caressed, and my anus toyed with by fingers until I was begging for her strap on! An amazing session ended with Danni sitting on my face as she brought me to a shuddering climax with her hands. Left tingling, happy and needing more. Have already booked another session.
