The Premises:

A very nice house and a pleasant room. The receptionist is also very pleasant....in every way! Parking is very tricky. Allow a bit of ime to park a couple of streets away if their space is taken.

The Lady:

Amber is originally from the Midlands and still has some of the accent to prove it. A very good looking, pleasant and friendly girl who certainly made me feel welcome. She is quite tall, around 5'7" and very slim. She has a small frame, small perky breasts, great legs and an even tan.

The Story:

Amber is great fun, just chatty enough and very responsive to suggestions and requests. If you're breathing, you'll have a great time. I think she is there only on Wednesdays at the moment.
