The Premises:

Soho walk-up, next to a restaurant, near Shaftesbury Avenue. Clean, warm and safe.

The Lady:

Mesa is from Thailand, has a fairly pretty face. Shiny soft black hair, soft warm skin, lovely small breasts and prominent responsive nipples. And a shapely bum and a sweet pussy. More than her physical attributes, what I remember is her charm, and her warm caring manner.

The Story:

As soon as I entered the room, Mesa pressed her body next to mine, kissed me and stroked my hair!

The money changed hands (including ?2 for the maid), she took it out to the maid and was back in 20 seconds.

Then followed gentle love-making and skilful sex (from her) which got me to a memorable climax. Afterwards, a good massage on the old joints got me to my feet.

She never stopped smiling, and seemed reluctant to let me go (!) so I guess I'll be back when finances permit.
