The Lady:

Loads of personality, about size 12, very busty, dark hair and fuck me eyes.

The Story:

Session was good, nothing went to my planned order of events, basicly she ate me for breakfast, I'm shy, she was wild, found it best just to go with the flow, decent OWO and sex in what ever postion she wanted, and she does want it, I declined the offer of anal just incase it was me that was going to end up as the reciever, not ready for that and I had the feeling that Nicola would not take no as an answer!

Cracking sport and a right laugh, propper punting.
