The Premises:

As reported before, easy to find, clean and safe with good security, easy parking, handy for Cab office.

The Lady:

About 5ft 3 and a fantastic figure, the pictures on the website don't look as good as in real life, she just ticks all the boxes, a joy to be with!

The Story:

Decent massage with powder, covered oral which felt almost owo with me eyes closed, just took her time to please, no hurry, cowgirl and excellent doggy to complete the mission, yet another tick in my book.

A good tip when using this parlour is not to go late as it gets busy, early afternoons is very quite if you can sneak off work or if not try on your way home but before say 8pm as the girls often go overtime unlike after say 9pm when the regulers turn up then its back to 30 minute sessions.
