The Story:

Another lady that I had been keen to meet for a long time.

Arranged to visit Kelly for 2 hours of dirty fun and games, she welcomed me at the door wearing just an apron, once inside we sorted the money and she proceeded to lead me upstairs, what I view I had of her delicious ass and sexy long toned legs, whilst on the stairs I reached forward putting my hand son her hips and telling her to bend forward, I spread her ass cheeks wide and rimmed her ass with my tongue whilst slipping 2 fingers inton her moist cunt, she squeeled with delight and called me a dirty bastard!

On to the bedroom, Kelly helped me out of my clothes lifting my shirt over my head then dropping down onto her knees in front of me, she loosened my trousers and pulled then down realising my hard cock which she took into her hot mouth and started to blow me using her lips and tongue to great effect, I told her to lay on the bed and spread her legs wide, then I slipped a couple of fingers inside her georgeous pussy and went to work using my tongue, fingers and teeth which she really enjoyed, she told me to rimm her ass again and who was I to refuse a ladys request?

We continued giving each other oral along with some great french kissing and dirty talk untill it was time for me to come, she lay on her back and I straddled her putting my cock between her lush tits which I started to fuck, I told her I was ready to cum and she moved her head taking my cock deep into her mouth and throat, she sucked hard and moved her head so I could fuck her mouth, than I started to come my spunk filled her mouth and she pulled her head away I shot more come over her face and mouth she used my cock to wipe it off her face and into her mouth swallowing most of it.

I led next to her on the the bed and she cuddled up to me frech kissing me which tasted great.

She truely is one hell of a sexy dirty girl who just loves being a dirty slut.

Thanks Kelly I will be back again I promise!
