The Story:

My first visit to the well known HOD. I had to book a week in advance to see Mei and after experiencing 30 minutes with her it's easy to see why she is so popular!

I found Mei to be genuinely friendly, gorgeous and oh so sexy, especially wearing next to nothing and allowing me to warm my freezing hands on her spectacular body! I took a chance and asked for a striptease / lapdance and was pleasantly surprised when despite protesting she had never danced before treated me to a very erotic lapdance. She found it highly amusing that as soon as she started the song on the radio finished and the London news report started! I personally wasn't too concerned what was on the radio to be honest, my mind was focused on Mei writhing around on my lap!

The lapdance was followed by heavenly OWO until I finished copiously on her tits. I will be back and look forward to sampling the other HOD London delights!
