The Premises:

Central London in the middle of the day. Very safe would not drive but the tubes are close.

The Lady:

Mona is a red head, bottle but very sexy. She is a small woman with pert breasts and her waist and hips at a small 8 make for a great view. She was wearing casual blue jeans and a simple top very sexy.

The Story:

As requested blue denim was played with and i was naked after a very pleasant shower and I undressed her. I took care to like and fondle her shaven pussy. I real enjoy this and fingering a young tight pussy is my idea of heaven. She is receptive to this. She is not very talkative but smiles and encourages. She does not allow cim but her oral is very good. I came twice in the hour which is always a winner. She kisses and licks and strokes. A fun punt and I will return. Real value for money.
