Absolutely stunning, website pictures are accurate. Fabulous toned body, amazing latin ass and wonderful enhanced breasts! Karina is a very attractive, dark skinned Brazilian girl.

### The Story:

I am posting this a little late.. just didn't get round to it at the time but Karina is well worth the effort and recommendation.

I was shown to a room in the apartment and waited for Karina to arrive, a minute later the door opened and so did my mouth! Karina walked in wearing the tiniest black lingerie set that showed off here stunning body. She is a beautiful girl, straight of the beach in Rio! Saying hello before lip-locking me, she smelled wonderful too!

The finances were sorted out and Karina immediately started tugging at my belt, I helped by removing my shirt as she pulled down my jockey's, my cock sprang out of my shorts, already stiff as poker.. 'wow' Karina exclaimed as my throbbing member swayed in front of her face as she knelt on the floor. Stroking my balls, she started to lick my helmet before slowly taking it into her mouth, boy this girl can deepthroat!! Lots of sloppy sucking, licking and tugging ensued with Karina paying attention to my balls too, at one point her finger slid over my ring which nearly made me splurge early!

After 5 minutes or so Karina stood up and led me to the bed, laying me down she got on top and we kissed passionately, deeply and with lots of tongue action. Karina broke away and made a big show of unleashing her amazing tits, lowering herself so I could suck on her rigid nipples whilst my hands massaged her delicious ass. After a few minutes I wanted some pussy action, laying Karina on the bed I got between her legs and slid off her tiny thong.. boy did I get a surprise.. bingo!! Karina has a little secret.. not that little actually... a perfectly smooth shaven pussy and an enormous clitoris.. just like a little penis )) I licked and sucked on it for about 10 minutes, amazingly it just got bigger, Karina

sighed and moaned as I brought her to a very convincing, wet.. very wet, climax.

I was having the time of my life! I asked Karina to sit on my face, she obliged without hesitation, I lay back as she stood up on the be and slowly lowered herself onto me, squeezing and massaging her firm butt, licking her now soaking wet pussy and rimming her tight little starfish. Karina grabbed my cock, spitting and drooling on it whilst she alternately sucked and wanked me off as my tongue probed her tight anus...heaven! She returned the favour and slid a finger up my arse, real pornstar stuff.. I'm sure she managed to get my whole cock down her throat.. a real talent!

Sex followed in mish and doggy, interspersed with lots of DFK. I was pounding away at her from behind and I couldn't hold back any longer, giving Karina warning, I whipped off the condom, Karina lay back and fingered her pussy and tweaked her nipples, such a sexy sight and that engorged clit pointing at the ceiling did it, I unloaded an impressive amount of man fat, spurt after spurt covering her tits, neck and belly! Exhausted, I collapsed on the bed!

We chatted a little as we cleaned up and I got dressed, what a lovely, sexy girl Karina is.. 10/10! Will definately be paying another visit when she is back in February ))
