The Story:

Three services basic ?25 rushed job with rubbers on for 15 mins or, ?40 better service with kissing, rev oral, owo, couple of positions, third one ?55 anal chucked in.

Went for the ?40 I must admit I am with the other chap in saying it was very mechanical, boring in fact, kissing was very pecky, rev oral not interested, and yeh like the other guys report I started to loose the hard on, this is definately due to the mechanical service. The punt was ok but I wouldn't bother going with her again, when are these girls going to learn. One girl in this establishment that they could all learn from is Nicole she is a natural who really does know how to get a guy running back for more, unfortunatly she is back home in Romania for three weeks.
