The Premises:

Usual place, normal standard. Had to play dodgems when I could tell the person walking in front of me was also heading into the house of fun.

The Lady:

Georgious, slim, young, pictures on site are an accurate reflection.

The Story:

Kiera is a delight. I spotted her pics before, however weekends are best for me to punt. However an opportunity arose where Kiera was working on Sunday and I grabbed it. How lucky I was.

Kiera is one of those girls where one knows it's going to be good within two seconds of entering the room. She is as bright as a button with a personality to match, a sparkle in her eyes. It's a cliché but my only error was not booking longer. She is fit, fiesty and fun. She hasn't a got pre-planned process I don't think. She is warm and affectionate, and gives the strong impression that she enjoys pleasing men!

In short, Kiera is a must see, if her physical appearance is attractive to you. As her personality and service is a 10/10.
