### The Story:

I had been asked to 'get ready' Sophie popped out of the room for a couple of minutes. When she came back in the idea was I was to lie on the massage table for a massage but as soon as Sophie took her top off I was straight on her gorgeous boobs and nipples and she suggested we skip my massage and asked if I wanted to massage her. We started kissing, proper kissing, and I was soon onto licking Sophie's perfect pussy. Apparently I broke the world record or a personal best for Sophie, she came within 5 minutes, and it was genuine. So the pussy was untouchable for a while so we lay on the bed and kissed and I worshipped her perfect boobs. On to oral with, then sex and finally boob relief.

Sophie is simply the best, I would see her every day if I could afford it. Such a lovely girl.
