The Premises:

Kim uses a room in a large, Edwardian detached house. You can park in the drive but I parked in the road opposite. Safe residential area.

The Lady:

Kim is English, petite at only 5' tall with 32B breasts.

The Story:

Kim offers a GFE so that's what we did. FK then OWO which was good with some ball sucking and licking. Then it was my turn to go down on her freshly shaved pussy until she came. Then sex in mish and finishing in doggy. Towards the end she was saying time was up - but not wanting to hurry me(!) - which I found slightly off-putting but she said I might get a bit longer next time. For ?50 (hour is ?85) it's quite good VFM. She's a chatty, funny little thing.

The house was interesting, too, large rooms and high ceilings and I'm told it can be hired for sex parties.
