### The Premises:

GFE is a nice clean place, friendly receptionist and discreet entrance down a well lit alley off the main road.

### The Lady:

Meagan is beautiful. 5ft 3ish, super slim waist, great tits (enhanced but natural looking), nicely styled long brunette hair, super soft skin and amazing dazzling eyes. Her photos on the website are good but she's even better looking in person.

### The Story:

Started with a great shoulder and back massage, you can really tell she trained in sports massage! Had to make her stop before I fell asleep, it was that relaxing. Just what I needed after a day in the office.

Rolled over for some nice and gentle kissing with tongues, damn she has super soft lips. My cock was tingling in anticipation for the OWO, which of course did not disappoint! She gently licked and flicked before full on sucking and slurping with plenty of hand action. 10/10!

On with the rubber and we had great sex in numerous positions, but her on top was the best. She's got a nice tight, shaved pussy and her super flat stomach and bouncy double D's looked fantastic as she straddled me.

Off with the rubber for some more wet OWO until I came, not in her mouth though - this really is a girlfriend experience ; )

Could have stayed and talked to her all night. She's has cheeky banter, but is a sweetie at the same time. Can't figure out her accent though.

Highly recommended.
