The Premises:

A clean and tidy terraced House with inexpensive pay and display parking very nearby. The room was well decorated, iron bed with lots of tasteful mirrors.

The Lady:

See "her" video. It is clearly of her older chubbier sister. Elise is sex on legs. Not a scrap of fat on her frame and I did a fingertip search for the benefit of you readers. She has a pretty and expressive face.

The Story:

Wow she is a tigress!

So much energy and passion.

I can still hear her moans of pleasure ringing in my ears.

Probably a great actress as well ;-)

Up for everything I wanted to do and more.

She is no dark horse everything in her Rose garden is up for grabs.
