The Premises:

Near tesco's round back of another shop - dingy, dark and a bit run down. Horrible.

The Lady:

5ft 4. Black hair Romanian and a smoker like all the ones I have met. 'Cheeky Girl' slim and dark hair. Said she was 19, looked it, probably early 20s. Pictures are accurate on purple headed website.

The Story:

Nice kiss and said I had nice eyes. Touched her and pussy got wet. OWO and let me take body shot photos. Then it went down hill. She couldn't put the condom on. I tried to take over. I got it hard and everytime I tried to enter she pulled away - felt 30 years ago as a virgin (te-he). Paid for hour. After 30 mins said time was up. I got the phone out and it showed 32 minutes including shower. She begrudgingly continued. I took over and came within 2 minutes. All over her body and bed sheets. She had the hump. I wanted to have a shower and leave. By then 2 men were in the kitchen and I had to pass them to get to the shower. Felt uncomfortable. Usual Romanian girls in Chingford not working - I missed them.
