The Premises:

A safe, up-market flat in a good area. The room I had was very comfortable, attractively furnished, with an en-suite bathroom.

The Lady:

Pixie is as the pictures depict ? but its the name that reveals her impish nature! She has a distinctive personality which would be almost impossible to be capture (I wouldn't mind trying though).

The Story:

Pixie gets booked up quickly, at least for my preferred time, so I was fortunate to get a cancellation ? even though only for a half an hour. She She was happy to dress in an outfit I brought along ? as I'm not so fond of the usual ?glamourware?. The details of the services she provides can be found in other reviews so I'd just like to say ? its all true! I would though add that its the way she goes about things that makes time with her special. She is a confident young woman who appears to like the activities in hand as much as I do - mutual enjoyment is so much better than one-sided gratification! I'll go for longer next time.
