The Story:

Well this was a disaster. Hooked by the new photo's. Unreported, you would think I would know better after all these years.. She was not intrested, gestured me towards the shower, played with phone.. Her flat mate came home and had to be let in. Then she wanted something.. A noisy punter turned up. Constant interuptions. No services but the bare minimum offered. I gave up and left after 15 minutes.. Waste of money from a usually excellent agency. Also known as barbie or barby on some other sites.
