The Premises:

In East Croydon, a clean and tidy flat which was safe.

The Lady:

Chloe is a brunette lady with long hair, she says she is 21 but I think in her mid 20's at lease. Cute face, slim body and great smile.

The Story:

Chole diD eveything as discussed. She was eager to please and very communicative. She put me at ease straight away.

Sex is offered in all positions, great oral skills and a good massage.

Her pussy was not tight, I think she has been in the business for some time but she still managed to keep me with her for an hour.

If you are looking for a lady which gives good oral and communication she is your lady but if you are looking for a lady who has a tight pussy and you want to feel that, she may not be the one you are looking for.

I liked her but will not be visiting again however again, if you like oral, she gives it good!
