### The Premises:

Nice location, good and clean inside.

### The Lady:

Never like it this case i must say that the photos don't give her justice, she's slimmer than her pictures and A LOT hotter.

### The Story:

Very good punt. I liked Carla, i liked her personality and her body, the service was, as expected, particularly nice. Her tits are perfect, her big nipples filled my mouth, i simply couldn't stop sucking them. I liked her blow job and the sex, she was hot all the way, didn't spare herself to give me a great time. You must see her.
