The Story:

Crystal is a warm and friendly lady as well as being very fit. Opted for the ?65 girlfriend experience, which usually includes kissing, owo, reverse o and sex.

What followed was slightly disappointing to be honest. A brief firm back massage started the session followed by some owo, which was very good, then onto some reverse o and she tasted great, followed by sex in doggy to a climax. Kissing not offered or tried, which disappointed me, having paid ?20 extra to include this.

If girls don't want to kiss, don't offer it as a service - it's not as if she could say I had bad breath or anything as she never got that close to me!!

Anyway, for those that don't mind no kissing and want a good blow job and sex with a very attractive lady, Crystal is for you. As for me, I'm really sorry but I won't return to see her although I will reluctantly recommend her to others.
