The Premises:

Large Council estate outside Nuneaton town centre. Felt safe enough in the afternoon not sure I would like to wander around after dark. Directed to rear of the property - not overlooked. Her place is nicely furnished and clean.

The Lady:

Sonia says she is 40 and I have no reason to argue. Stands about 5ft 4" with long blonde hair. Nice natural 36 D tits and fully shaven pussy.

The Story:

Greeted me with open negligee showing off her nice tits and took me upstairs. Confirmed it was ?70 for half-an-hour including OWO. Other things are available for slightly more cash and I do mean only slightly more cash. Took off my kit and we cuddled on the bed. Lots of DFK and I fingered her shaven pussy. Decided not to go down on her but I am sure that I could have done and perhaps it was expected. She soon got me hard and gave me some good OWO with lots of eye contact. On with the mac for sex in mish. Didn't last long and shot my load in an embarrassingly short time. Cleaned up and whilst getting dressed her husband phoned her mobile which was a bit disconcerting but she explained that he knew what she does. A reasonable punt but somehow felt it was "too professional" for me and I will probably stick with my little younger Far Eastern girls. But I would definitely recommend her to you more adventurous types out there.
