### The Premises:

very clean place but very open to enter premises.  
buzz to enter on a intercom ,however this is surrounded by businesses .  
felt uncomfortable because of glares from the shops but went in anyway.

### The Lady:

paid the 10 pds entrance fee and was introduced to jade ,she was extremely drunk and average looks and did not look like the description i was led to believe.  
personal hygiene was bad and i stayed out of politeness.

### The Story:

not a enjoyable interaction and will not return when this lady is on .

### Service Provider's Rebuttal

The establishment writes:

in response to bi6 daves report posted 20th feb 2012 i personally would like to address this as feel comments made were very unfair and really hurtful! to start yes i had a few glasses of wine that shift and will agree due to personal circumstances 1 too many, but was by no means "extremely drunk", i am exactly as the description leads to believe a curvy, busty brunette that offers all services. in the 12 years i have worked this is the 1st negative report i have had on poor personal hygiene as i shower after every client i find this very hard to believe! he says he paid ?70 for this service which for a half hour is a very intimate service indeed so why pay all that to be polite? and not have a very basic service then leave? had he addressed these issues on the night and not left it 2 weeks to report we would have dealt with this fairly and properly. as i said i have been in the industry many years and fully accept not every lady is of every mans taste.
