### **Service Provider's Rebuttal**

The establishment writes:

in response to bi6 daves report posted 20th feb 2012 i personally would like to address this as feel comments made were very unfair and really hurtful! to start yes i had a few glasses of wine that shift and will agree due to personal circumstances 1 too many, but was by no means "extremly drunk", i am exactly as the description leads to believe a curvy, busty brunette that offers all services. in the 12 years i have worked this is the 1st negative report i have had on poor personal hygiene as i shower after every client i find this very hard to believe! he says he paid ?70 for this service which for a half hour is a very intimate service indeed so why pay all that to be polite? and not have a very basic service then leave? had he addressed these issues on the night and not left it 2 weeks to report we would have dealt with this fairly and properly. as i said i have been in the industry many years and fully accept not every lady is of every mans taste.
