The Story:

back from a break away and as promise to leave a report for the gorgeous Charlie,i found myself staying in Manchester over Christmas and due to average punt in leeds with my normal agency due to lack of kissing even though she advertised herself as a passionate kisser, I decided to give Manchester elite a call,as i got nearer to the apartment i was getting butterflies i knocked on the door Charlie let me in i was really knocked back to how gorgeous she looked in a very tight little black number with stockings and killer heels , Charlie walk right up to me and started to passionately kiss me and she was kissing me like i was her lover for several min god it felt good ,then had a quick shower entered the bedroom where Charlie was waiting for me she gave me more DFK then OWOTC i returned the faver and licked her sweet pussy for several min which she enjoyed, we then had a lot of sex and i finished again in mish,a fantastic girl thank you so much Charlie for making me feel really special
