The Premises:

Busy Holborn area, nice and clean inside. Would have love to spend more time with her but I was late thanks to London transport so could only stay for 20mins, Next time i would book her for longer and make sure im there early.

The Lady:

Pari's Body is a just like her pictures with a cute and preety face. Her body is amazing curvy busty and buxom just the way i like it.
She has a nice personallity as well.

The Story:

Started of with me feeling her curvy body and her lovely breasts, then she slowly removed her lingere so i could worship her body even more. I layed on the bed while she seduced me with her body and facial expressions, WOW i Thought. Her oral was slow and sensual I just wish I could have spent more time with her and lasted longer.
