### The Premises:

The place is spotless and very clean.

### The Lady:

Pictures definitely don't do her any justice. Her body is far more divine than the pictures! Seeing is truly believing, especially that arse!!!

### The Story:

Although my first visit was extrememly memorable, my last visit was mind-blowing...Diana is extremely friendly and made me feel completely t ease and remembered from my first visit. I requested a massage was was very relaxing even though I didn't really need to feel relaxed. Diana started giving OWO after getting me extremely hard I wanted to do her in Doggie (her arse is delightful, equally is the sight of her pussy lips hugging my cock!), did it standing from behind and got her to put her leg up on the bed to get a better view by which time I couldn't hold back!
