The Premises:

Usual punting spot in Bayswater 5 mins from underground in large block of flats. Safe and secure. Flat fit for purpose warm and good facilities.

The Lady:

i have seen Cherry a few years ago and it was the same girl as then Exactly as per photos on website sexy tatoos.

The Story:

Little disappointed she seems to have lost a little over the years mush more mechanical. Shame.

Everything was just a little under par too rushed and lack of real involvement. I assume she had an off day as FR are good and my previous encounter was very good too.

The girl has a super tight ass.
